

### REMARKS/ARGUMENTS

In the Office Action dated December 7, 2007, the Examiner made a supplemental restriction/election requirement, and requested that Applicants elect one of the species recited in claims 4 and 5 for the Examiner to conduct her search of the prior art.

Applicants elect 5-fluorouracil of present claim 5 (which depends on independent claim 3) in order for the Examiner to perform the prior art search. Each of dependent claims 7 through 19 is readable on the elected species. This election is without traverse.

Applicants reserve the right to file one or more divisionals on any non-elected inventions.

Applicants respectfully request examination of the application in due course. The Examiner is encouraged to contact Applicants' undersigned attorney to resolve any questions regarding the present application in order to expedite examination of this application.
